1. Applicant's election of claims 1-25, dated 12/3/2007, in response to the restriction requirement 11/19/2207, has been acknowledged by the examiner. The examiner notes the cancellation of non-elected claims 26-33. Claims 1-25 remain pending in the instant application.

Information Disclosure Statement

2. The information disclosure statement filed 11/21/2006 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is not in the English language. It has been placed in the application file, but the information referred to therein has not been considered.

a. There has been not provided a concise explanation of the relevance of JP 2003264249 and therefore the reference has not been considered.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
